DOMAINE CLAVEL
RIVE DROITE DU RHÔNE

Spirits

Grenache

Grape variety
100% grenache.

Name
Wine of red liquor.

Elaboration

Selection of old grenache in perfect health, maceration with pigeage and fermentation in small container. Fermentation is stopped by the addition of brandy to the must. This is called mutage. The resulting wine holds ~20° and retains a level of unfermented sugar that will give it roundness, even sweetness. The mixture of brandy and wine will reveal the aromas it contains, and give it an aging capacity. Aging in barrels for 7 years.

Tasting

Of sustained color, powerful and generous very fruity, it is distinguished by its complex aromas of red berries, chocolate, caramel, coffee…

Food and wine pairing

This grenache will be perfect as an aperitif or digestive, but it is also ideal to accompany a dessert made with red fruits and goes very well with chocolate. Serve lightly chilled or between 14 and 16°C.

Bottle of 0.75 L.
